

GIFT OF ENERGY CERTIFICATE PURCHASE

Gift certificates never expire and can be used by Consumers Energy customers to pay electric and natural gas bills. Those receiving the gift certificates just mail them in with their monthly bill, and the amount is deducted from the bill total. Gift certificates are available in the amounts of \$10, \$20, \$25 and \$50.

You may purchase gift certificates by mail with a check or money order. (Please allow up to one week when ordering by mail.)

You can have the certificate mailed to you, or we can mail it to the person directly. The gift certificates don't have the buyer's name on them, so if desired, you can anonymously help someone in your family, your neighborhood or your place of worship.
